Vienna, 2 August 2006

Dear Madame and Sir,

Due to the near end of the project DONAUHANSE (December 2006) we would like to invite you to the Mayors Conference in Vienna on **6<sup>th</sup> and 7<sup>th</sup> of December 2006**.

Since January 2003, the project partners of DONAUHANSE have been working towards a common goal to establish a network of cities which provides sound solutions to similar problems with the greatest possible benefit for all participating cities and regions along the Danube.

The DONAUHANSE project, which is financed by the European Commission under the INTERREG IIIB CADSES programme, builds on this concept by promoting large-scale co-operation among the people living in this region.

The purpose of this conference will be a retrospect as well as a final presentation of the activities and results within the project DONAUHANSE. The goal of this presentation is to point out the value of the project DONAUHANSE for the cities and regions along the Danube river. In addition to this presentations we would like to discuss the vision of a new DONAUHANSE project.

We are very pleased to welcome you at the Mayors Conference and the 3rd DONAUHANSE Executive Committee meeting which will take place on 6<sup>th</sup> and 7<sup>th</sup> of December 2006 in the **City Hall of Vienna**.

Yours sincerely,  
Head of Municipal Department 27  
for EU Strategy and  
Economic Development:
